

Virturo Investment Funds

Providing institutional-grade investment opportunities with strategic risk management.

VirturoBalance – Moderate-Risk Balanced Fund

1. Fund Overview

Objective & Strategy

VirturoBalance offers a diversified portfolio **blending growth and income strategies**, ideal for investors seeking a **moderate-risk, steady return profile**.

Investment Sectors

- **Equities & Digital Assets** – Balanced exposure to high-growth and income-generating assets.
- **DeFi & Fixed Income Instruments** – Hybrid strategies maximizing yield and stability.
- **Stable Yield-Producing Instruments** – Combining low-volatility yield assets with growth-oriented opportunities.

Investor Suitability

- Investors looking for **moderate-risk exposure** with **long-term stability**.
- Those seeking a **hybrid approach between capital growth and income generation**.
- Ideal for **3+ year investment horizons**.

Risk Level: 4-5 (Moderate risk, diversified strategy).

Target Returns

- Expected to generate **10-25% annualized returns**, balancing risk and reward.

2. Fees & Charges

- **Management Fee:** 3% per annum.
- **Performance Fee:** 30% on profits, calculated quarterly.
- **No entry/exit fees.**

3. Investment Process

- **Investment Access:** By invitation only.
- **Minimum Investment:** \$250,000 USD.
- **Processing Time:** Up to **7 business days** after account approval and funding.

4. Withdrawals & Liquidity

- **Withdrawals:** **Guaranteed monthly**, but must be requested in advance.
- **Lock-up Period:** **6-month cooldown** after the initial investment.
- **Liquidity:** Subject to fund liquidity conditions.

5. Fund Structure & Regulation

- **Legal Structure:** **Private, self-regulated investment vehicle.**
- **Regulatory Status:** Virturo is **not regulated** by any financial authority.
- **Risk Disclosure:** Investments carry risk, including potential loss of capital.

6. Performance & Benchmarks
