

Virturo Investment Funds

Providing institutional-grade investment opportunities with strategic risk management.

VirturoGrow – High-Risk, High-Reward Growth Fund

1. Fund Overview

Objective & Strategy

VirturoGrow is designed for investors seeking **aggressive capital appreciation** in high-growth sectors such as **early-stage blockchain, decentralized finance (DeFi), and emerging digital innovations**. The fund focuses on disruptive technologies with high upside potential.

Investment Sectors

- **Blockchain Infrastructure** – Protocols, layer-2 scaling solutions, and blockchain platforms.
- **DeFi Ecosystem** – Yield farming, decentralized exchanges, and liquidity provision.
- **Digital Innovations** – AI-driven trading, tokenization, and next-gen fintech.

Investor Suitability

- Investors comfortable with **high volatility and significant market fluctuations**.
- Those targeting **exponential long-term returns**.
- Sophisticated investors with a **long investment horizon (3-5+ years)**.

Risk Level: 6-7 (High risk, high reward).

Target Returns

- Designed to outperform traditional asset classes.
- Annualized return potential: **25-50%**, depending on market conditions.

2. Fees & Charges

- **Management Fee:** 3% per annum.
- **Performance Fee:** 30% on profits, calculated quarterly.
- **No entry/exit fees.**

3. Investment Process

- **Investment Access:** By invitation only.
- **Minimum Investment:** \$250,000 USD.
- **Processing Time:** Up to **7 business days** after account approval and funding.

4. Withdrawals & Liquidity

- **Withdrawals:** **Guaranteed monthly**, but must be requested in advance.
- **Lock-up Period:** **6-month cooldown** after the initial investment.
- **Liquidity:** Subject to fund liquidity conditions.

5. Fund Structure & Regulation

- **Legal Structure:** **Private, self-regulated investment vehicle.**
- **Regulatory Status:** Virturo is **not regulated** by any financial authority.
- **Risk Disclosure:** Investments carry risk, including potential loss of capital.

6. Performance & Benchmarks

- **VirturoGrow** aims for **industry-leading returns** in high-growth sectors.
- Performance data available upon request.
- **Past performance does not guarantee future results.**
